IBERD

International Board for Education, Research and Development (IBERD) is a budding organisation founded by a group of professors from University of Mumbai, with the objective of spreading knowledge and gaining insights to new technologies and pedagogy, thereby making a positive societal impact in India and the global community. IBERD emphasises on organisation of innovative academic activities for school children, innovative research programmes for college students and teachers, etc.

The Conference

In the midst of COVID 19 pandemic, bringing researchers on a platform to share ideas, is a critical task. This online conference provides an opportunity to all researchers to network and exchange their ideas on a virtual platform. The collaboration with foreign universities is offering a new horizons to the participants to find global partners for future research collaboration. The invited lectures by eminent speakers from international organisations is the key attraction of the conference.
